## Amphora Table Lamp

TL824

Collection Name

**VEGA COLLECTION**

The Amphora table lamp pays homage to ancient civilisations who bestowed the names of their gods and goddesses on some of the celestial bodies we can witness with the naked eye. The naming of these astronomical discoveries gives them personified characteristics which in turn gave us inspiration for a number of the works included in this collection. An Amphora, chic and strong in silhouette, was often rewarded to victors in contests such as the Panathenaic games, thus the symbol of praise we chose to honour these ancient discoveries.
