## Aviary Ceiling Light

**CL51-50**

Collection Name

**CANTERBURY COLLECTION**

This original "caged" ceiling light is our re-interpretation of a traditional Victorian bird aviary. Suspended on a metal rod, the frame charmingly encaptures a silk lampshade of your choice, which incorporates a Lucite bottom diffuser. It is not only available in four hand painted finishes, but we also offer a choice of two metal textures - smooth or hammered. The drum shade is included and can be ordered in any of our 300+ silks and satins, whilst the central rod can be specified in any length. This versatile chandelier can also be ordered in custom sizes
