

BELLA FIGURA

Elisabetta Chandelier

CL205

Collection Name

MOONLIGHT COLLECTION

The crownlike beginnings of this majestic chandelier grew from a design created more than 100 years ago. A crucial update to the style being the simplification of lines which give it sleek modernity and a luxurious look. Satin glass petals and their delicately crafted clasps combine to compose a distinctive and opulent centre piece, as well as a flush mounted single tier crown perfect for slimmer rooms and hallways.
