

BELLA FIGURA

Glacier Lamp

TL376

Collection Name

CONTOUR COLLECTION

Finest quality lead crystal carved in a fashion that mimics the patterns etched into the weather beaten walls of glacial caves. Drawing on the Murano glass craft of 'Battuto' whose name itself derives from the Italian word for 'beaten', our Glacier pendant and table lamp have every facet carved out individually by our English crystal experts. Pair our Glacier and Arctic pendants together for an individual look.
