

BELLA FIGURA

Halo Pendant

CL390

Collection Name

CONTOUR COLLECTION

The Halo pendant is the perfect collaboration of supremely hand-crafted, Italian metalwork and English blown glass. Hundreds of bubbles are frozen into this glass sphere using the traditional Murano technique 'pulegoso' which is then wreathed by two radiant rings, one smooth and one hammered to perfectly frame this glowing ball of refracting rays. This unique pendant is beautifully complemented by our Halo wall light.
