

BELLA FIGURA

Parchment Chandelier

CL130

Collection Name

MOONLIGHT COLLECTION

The Parchment series brings us all the pomp and splendour of an Art Deco theatre hall with its cascading form, which emits a cosy, warming glow. The golden tones and rectilinear style of this ceiling light transports us back to The Roaring Twenties with an uncomplicated look which has stood the test of time; the parchment panels convey an essence of the classic Tiffany lighting designs with a monochromatic update to the styling. This design may be minimalistic, but its boldness will still demand the limelight.
