

BELLA FIGURA

Pleated Silk Lamp Shades

S06

We introduce a new style of pleated shades to the Bella Figura luxury shade range, a technique unique to ensure a closely gathered crinkle style pleat that never looks out of place. Made to order in our in-house workshop at our warehouse in Suffolk, the technique creates a distinctive look as we pleat our silk prior to application.

Available only on the contemporary drum style shade and oval shades in a core variance of sizes from 9" to 18". There is a choice of 8 house silk colours by James Hare with our pleated silk carefully laminated to card to form a robust, unique textured look.

A choice of 5 lining colours in white, cream, silver, gold and champagne or fabric lined for a surcharge. Colour co-ordinated frames are available upon request, meaning we can co-ordinate every last detail to your preferred liking. Please contact us to discuss your requirements
