Regolith Wall Light

WL206

Collection Name

MOONLIGHT COLLECTION

Star of the show or the ultimate accessory to the Regolith ceiling light is the Regolith wall light. The contours of its glass shade are evocative of a 1920s cloche hat, scaled down from the larger ceiling light shade with a delicate rework of the geometric lines of this design series. Blanketed in glittering grains of glass, this blend of fashion and celestial influences offers to set the room to sparkle.
