Rosetta Wall Light

WL803

Collection Name
VEGA COLLECTION

Plates of embossed and gently bubbled glass create the angular but feminine form of Rosetta. This design has been inspired by the finely tuned Rosetta space probe which is slight and dainty in appearance. Echoing this lithe feat of engineering we created our Rosetta series with a minimum height under 30cm which makes it ideal for low ceilings and with four standard sizes on offer it is highly flexible for both grand and petite spaces.
