

BELLA FIGURA

Ruffle Wall Light Small

WL207-SM

Collection Name

MOONLIGHT COLLECTION

Echoing the design language of the ceiling lights, we offer two wall light styles to complement our *Ruffle* collection.

A cluster of backlit plates from our small chandelier offers a petite wall adornment. As with the ceiling light, the gently scrunched glass is organically formed and each piece is unique. Alternatively, a cluster of our delicate, smaller plates with integrated LEDs makes for a dainty room accessory.
