

BELLA FIGURA

Sol Three Wall Light

WL804-3

Collection Name
VEGA COLLECTION

Humans have long illustrated the sun with a simplified image of a central circle surrounded by lines as rays which frame it. Sol, which takes its name from a sun god, plays on this universally recognised symbol for the Sun with arms that project out from a central point, each ending with a piece of hand-blown flared glass. A simple but joyful piece especially designed to suit those with low ceilings.
