

BELLA FIGURA

Hedron Lamp

TL332E

A geometric figure with a specified number of surfaces - the Hedron lamp is surrounded in satisfying symmetry, which has been expertly sculptured from a perfectly formed digital model and cast into this small but mighty form. The Hedron table lamp has a substantial weight and can be finished in Russet - an oxidised rusted finish - or Sepia - our richly layered and hand painted finish which looks just like aged bronze.

Test Certification

Suitable for Yachts - Rod and bolting available for use on yachts

UL (Underwriters Laboratories) test certificates available for the USA - will incur a surcharge
